**Missed Meeting Fine Appeal by Whiteker**

- Mr. Whiteker questioned the chapter by-law regarding members who miss the chapter membership meeting would be assessed a \$2 fine. He appealed to the Board that he had to miss due to work related business and requested that all previous and future absences be waived. After review, the Board's ruling was that no missed meeting fines would be waived unless the member was scheduled by the Board to officiate a football game on Monday night or in extreme emergencies. The purpose of the missed meeting fines is to encourage attendance at the membership meeting to enhance the member's knowledge. The Board indicated that \$2 per missed meeting was not an excessive fine levied on the members; therefore, the appeal was denied. (CLOSED)
