Financial Report

- Mr. Robertson reported that he received several scrimmage checks from schools.
- Mr. Robertson inquired about the process of billing schools where games were terminated or rescheduled due to inclement weather. The Board decided that the schools should be billed for travel for each time officials were sent to the game site and only billed once for each official who called the game.
- Mr. Tom Jones inquired earlier in the week about the possibility of Mr. Robertson securing 19 forms from all officials and sending those forms to the schools. After discussion, the Board decided that completing and submitting tax forms are the responsibility of each official. The schools that required these forms will send them to the official in the mail to complete before the official will receive payment. Mr. Robertson will not be required to complete this task.

Mr. Hollis' suspension would not be lifted until the check was received and cashed.

Mr. Long moved to adjourn. Mr. Petty seconded the motion. The motion passed unanimously.
